**APPLICATION OF BLAKE DAWSON
FOR AN AWARD OF COMPENSATION AND
REIMBURSEMENT OF EXPENSES
FOR THE PERIOD 1 AUGUST 2010 TO 30 AUGUST 2010**

The law firm of Blake Dawson, authorised to provide legal services as Ordinary Course Professionals to Lehman Brothers Holdings, Inc. (**LBHI**) and its affiliated debtors in the above captioned chapter 11 cases (together referred to as **Lehman** or the **Debtors**), makes this application pursuant to sections 330 and 331 of chapter 11 of Title 11 of the United States Code, 11 U.S.C. § 101 et seq. (**Bankruptcy Code**), and the Amended Order Pursuant to Sections 105(a), 327, 328 and 330 of the Bankruptcy Code Authorizing the Debtors to Employ Professionals Utilized in the Ordinary Course of Business, dated March 25, 2010 (**Ordinary Course Professional Order**), for an award of compensation for professional services rendered to the Debtors (**Application**) in the amount of A\$269,933.45 (US\$265,455.79), incurred during the period 1 August 2010 through 30 August 2010 (**Period**), and reimbursement of disbursements incurred during the Period in the amount of A\$4,445.22 (US\$4,371.48) and fees incurred in September for preparing this application of A\$5,940.00 (US\$5,841.47), for a total award of compensation and reimbursement of disbursements of A\$280,318.67 (US\$275,668.74).

INTRODUCTION

- 1) On September 15, 2008 and periodically thereafter (**Commencement Date**), LBHI and certain of its subsidiaries filed voluntary cases under chapter 11 of the Bankruptcy Code. The Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (**Bankruptcy Rules**). The Debtors are authorised to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.
- 2) Due to the scope of the Debtors' business, on October 13, 2008, the Debtors' filed a motion (**Ordinary Course Professional Motion**) seeking authorisation pursuant to sections 105(a), 327, 328 and 330 of the Bankruptcy Code, to retain, *nunc pro tunc* to the Commencement Date, professionals utilised in the ordinary course of business (**Ordinary Course Professionals**) without the submission of separate retention applications and the issuance of separate retention orders for each individual professional.
- 3) The Ordinary Course Professional Motion was granted by Order dated November 5, 2008 and was amended on March 25, 2010 (**Ordinary Course Professional Order**). The Ordinary Course Professional Order outlines the procedures that all Ordinary Course Professionals must follow in order to receive compensation and reimbursement of expenses for services provided to the Debtors. With respect to any Ordinary Course Professional seeking compensation in excess of US\$150,000 in any given month, the Ordinary Course Professional Order provides, in pertinent part:

"that in the event that an Ordinary Course Professional seeks more than \$150,000 per month, that professional will be required to file a fee application for the full amount of its fees and expenses for that month in accordance with sections 330 and 331 of the Bankruptcy Code, the [Bankruptcy Rules], the Local Bankruptcy Rules for the Southern District of New York, the Fee Guidelines promulgated by the US Trustee, and any and all orders of the Court..."

A copy of the Ordinary Course Professional Order, as amended on March 25, 2010, with exhibits, is annexed hereto as Annexure "A".

- 4) On 16 July 2010, the Debtors filed the Notice of Fifty-Fifth Supplemental List of Ordinary Course Professionals (**Ordinary Course Professional Application**) with the United States Bankruptcy Court Southern District of New York listing Blake Dawson as an Ordinary Course Professional and attaching thereto the relevant Ordinary Course Professional Affidavit and Retention Questionnaire. Because no objections were timely filed with respect to such notice, the retention, employment, and compensation of Blake Dawson was deemed approved pursuant to sections 327 and 328 of the Bankruptcy Code without the need for a hearing and without further order from the Court.
- 5) This Application is made by Blake Dawson for an allowance of fair and reasonable compensation for professional services rendered by it on behalf of the Debtors during the Period, consistent with the results achieved, the time, labour and expertise brought to bear on the problems presented and other related factors and for reimbursement of actual and necessary out-of-pocket expenses incurred in the rendition of such professional services during the Period. The amounts sought for compensation for professional services are at hourly rates customarily charged by Blake Dawson for legal services rendered by the respective professionals and are in line with the rates charged by similar firms operating in a competitive market for legal services.
- 6) For the convenience of the Court, a summary of the total hours worked during the period by each professional and paraprofessional for whose services compensation is being sought, together with a recitation of the hourly billing rate (quoted in Australian dollars) for each person and the total compensation sought for each person's services is annexed hereto as Annexure "B".
- 7) The professional services for which compensation is sought were rendered in the ordinary course of the Debtors' business and solely on behalf of LBHI and its debtor affiliates.
- 8) Blake Dawson regularly maintains records of time expended in the rendition of all professional services and records of costs and expenses incurred on behalf of the Debtors.

These records were made substantially concurrently with the rendition of the professional services. All such records are available for inspection. A copy of the time records, in chronological order and segregated by individual matter, relating to Blake Dawson's representation of the Debtors during the Period, is annexed hereto as Annexure "C"

BACKGROUND

The Debtors

- 9) Prior to the events leading up to these chapter 11 cases, Lehman was the fourth largest investment bank in the United States. For more than 150 years, Lehman has been a leader in the global financial markets, serving the financial needs of corporations, governmental units, institutional clients and individuals worldwide. Its headquarters in New York and regional headquarters in London and Tokyo are complemented by a network of offices in North America, Europe, the Middle East, Latin America and the Asia Pacific Region.
- 10) Additional information regarding the Debtors' businesses, capital structures and the circumstances leading to chapter 11 filings is contained in the Affidavit of Ian T. Lowitt pursuant to rule 1007-2 of the Local Bankruptcy Rules for the Southern district of New York in Support of the First-Day Motions and Applications, filed on September 15, 2008 [Docket No.2].

Blake Dawson

- 11) Blake Dawson is a full-service Australian law firm with a broad-based general practice centring on corporate, banking, litigation, mining and other major business practice areas.

SUMMARY OF SERVICES RENDERED BY BLAKE DAWSON DURING THE PERIOD

Advice on Australian law

- 12) Blake Dawson advised generally on the Australian law aspects of the credit and security arrangements relating to a termination and settlement agreement (TSA) dated 25 June 2010 (as amended by amendment agreements dated 17 August 2010 and 31 August 2010) entered into among Norton Gold Fields Limited (NGF), Norton Gold Holdings Pty Ltd (NGH), Paddington Gold Pty Ltd (Paddington), Norton Gold Mine Pty Ltd (NGM)

(**Original Norton Group Companies**) and Lehman Brothers Commercial Corporation (**LBCC**), entered into by LBCC pursuant to the Order Pursuant to Sections 105 and 365 of the Bankruptcy Code to Establish Procedures for the Settlement or Assumption or Assignment of Prepetition Derivative Contracts (Docket No. 2257 and, as supplemented by Docket Nos. 2557, 5292, and 5544).

- 13) In 2007, NGF issued convertible notes (due August 2011) (**Original Note Issue**). The Original Note Issue is secured by a package of security documents granted by the Original Norton Group Companies, including: a first priority fixed and floating charge over all of the Original Norton Group Companies' present and future rights, properties and undertakings in Australia and a first priority mortgage over all core mining tenements held by Paddington in Western Australia (**Current Security Documents**)
- 14) In connection with the TSA, NGF issued a senior secured promissory note dated 3 September 2010 (**New Note**) which was secured by (i) the Current Security Documents and (ii) a new package of security documents granted by the Norton Group Companies.
- 15) Blake Dawson advised generally on the appropriate additional security to take over the assets of Mt Morgan Mine Pty Ltd, Norton Coal Pty Ltd and Bellamel Pty Ltd as well as NGF, NGH, NGM and Paddington (**Norton Group**), including advice as to the mining tenements over which the new mining mortgage should be registered.
- 16) Blake Dawson drafted five amendment deeds in order to vary the terms of each of the following Current Security Documents (including making amendments to ensure that the documents were consistent with the New Note).
- 17) Blake Dawson also drafted four additional security documents to give effect to the requirement under the TSA that the New Note should be secured by first priority liens on substantially all the assets of the Norton Group.
- 18) Blake Dawson advised LBHI generally with respect to the form and content of the documents referred to above. The work involved in preparing the security documents was considerable because the Norton Group is the registered holder of over 300 mining tenements and has an interest in numerous other tenements. Many of the tenements are

subject to prior interests protected by caveat. A considerable amount of time was spent in negotiating with the Norton Group over which tenements would, for various reasons, be excluded from the secured property. The outcome is that over 200 mining tenements are subject to the security documents.

- 19) Blake Dawson liaised extensively with Hopgood Ganim (Australian law firm acting for the Norton Group) and Jones Day (attorneys) in relation to the tenement list provided by Hopgood Ganim for the purpose of preparing the security documents referred to above, conducted searches of the tenements contained therein and reviewing the contents of the searches and other documents referred to above.
- 20) Blake Dawson (with Jones Day) negotiated the forms of the amendment documents and the additional security documents with Hopgood Ganim. Blake Dawson also participated in protracted negotiations on intercreditor issues arising between the holder of the New Note and the holders of convertible notes issued under the Convertible Note Deed.
- 21) Blake Dawson advised LBHI as to the procedures for the granting and registration of security over Western Australian and Queensland assets and liaised with the Department of Mines and Petroleum (WA) and Department of Employment, Economic Development and Innovation (QLD) in relation to issues arising from the same.
- 22) Blake Dawson liaised with the solicitor acting for the liquidator of Lehman Brothers Australia Limited (In liquidation) (previously called Grange Securities Limited) in relation to the execution of documents by the liquidator.
- 23) Blake Dawson advised on existing native title compensation agreements, conducted searches of native title claims registered against the relevant tenements and reviewed and provided advice on the nature and extent of the impact of native title on the tenements with respect to the security documents.
- 24) Blake Dawson assisted with the execution of the documents and is attending to the registration of the security documents with ASIC, the Department of Mines and Petroleum (WA) and Department of Employment, Economic Development and Innovation (QLD), as applicable.

- 25) Blake Dawson prepared a closing opinion as to the enforceability under relevant Australian law of the amendment deeds and the security documents referred to above.

SERVICES

- 26) Professional services rendered by Blake Dawson have necessarily been time consuming. However, all of the services for which compensation has been requested were rendered in connection with the performance by Blake Dawson of the duties prescribed for it under the Ordinary Course Professional Application made by Blake Dawson dated 8 July 2010.
- 27) Blake Dawson believes that the award of compensation requested in this Application is fair and reasonable. Blake Dawson requests that this Court award all fees sought in this Application at Blake Dawson's normal hourly rates, the total value of which is A\$269,933.45 (US\$265,455.79) plus A\$5,940 (US\$5,841.47) (the cost of preparing this application).

DISBURSEMENTS

- 28) Blake Dawson is also requesting reimbursement for actual and necessary expenses incurred on behalf of the Debtors during the Period in the amount of A\$4,445.22 (US\$4,371.48). The total amount of compensation for legal services rendered and reimbursement of disbursements totals A\$269,933.45 (US\$265,455.79) plus A\$4,445.22 (US\$4,371.48) and plus the fees incurred in September for preparing this application being A\$5,940.00 (US\$5,841.47).
- The aggregate of the amounts of A\$269,933.45 (US\$265,455.79), A\$4,445.22 (US\$4,371.48) and A\$5,940.00 (US\$5,841.47) is A\$280,318.67 (US\$275,668.74).

STANDARDS FOR ALLOWANCE OF COMPENSATION

- 29) Blake Dawson submits that for the reasons set forth above, the professional services rendered by Blake Dawson on behalf of the Debtors during the Period were necessary and reasonable.
- 30) Section 330 of the Bankruptcy Code authorises compensation for reimbursement of expenses of professionals in cases arising under the Bankruptcy Code and provides, in pertinent part, as follows:

- (a) (1) After notice to the parties in interest and the United States Trustee and a hearing, and subject to sections 326, 328 and 329, the court may award to...a professional person employed under section 327 or 1103 –
 - (A) reasonable compensation for actual, necessary services rendered by ... professional person, or attorney and by any paraprofessional person employed by any such person; and
 - (B) reimbursement for actual necessary expenses.
- (2) The court may, on its own motion or on the motion of the United States Trustee, the United States Trustee for the district or the Region, the trustee for the estate, or any other party in interest, award compensation that is less than the amount of compensation that is requested.
- (3) In determining the amount of reasonable compensation to be awarded, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –
 - (A) the time spent on such services;
 - (B) the rates charged for such services;
 - (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
 - (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue or task addressed; and
 - (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field;
 - (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

- 31) As noted in In re Guyana Dev. Corp., 201 B.R. 462 (Bankr. S.D. Tex 1996), Bankruptcy Code section 330(a)(3) is a codification of the factors set forth in Johnson v. Georgia Highway Express Inc., which provided guidelines for evaluating fee applications. See Johnson, 448 F.2d 714 (5th Cir. 1974) (evaluating fee applications based on (1) time and labour required; (2) novelty and difficulty of questions presented; (3) skill required to perform legal services properly; (4) preclusion of other employment due to acceptance of case; and (5) the customary fee paid for such services in the same legal market).
- 32) As set forth below, under the standards set forth in the Bankruptcy Code section 330(a) and related case law, Blake Dawson's representation of the Debtors warrants payment of its fees and reimbursement of its expenses.

(a) Time and labour required

The time and labour required to represent the Debtors during the Period has been significant. As stated above, Blake Dawson has expended 561:27 hours in its representation of the Debtors during the Period. All of the time spent by Blake Dawson in these cases was necessary and appropriate and benefitted the Debtors, their estates, their creditors and other parties in interest. Blake Dawson submits that it has represented the Debtors in an efficient, timely and cost effective manner. The matters handled by Blake Dawson and the efforts undertaken by Blake Dawson in the representation of the Debtors are fully set forth above and in the time entries annexed hereto.

(b) Novelty and difficult

The issues presented in this case were novel, complex and difficult, requiring thorough attention and substantial firm resources.

(c) Skills requisite to perform legal services properly

The experience, knowledge, and expertise of the various Blake Dawson professionals and paraprofessionals representing the Debtors in these cases have facilitated and expedited the results achieved. Blake Dawson believes that its expertise in the areas of banking and finance, mining and native title has

substantially contributed to the results achieved. Providing transaction advice in matters such as these to large debtors is a specialised practice that requires substantial expertise in various areas of the law, such as that provided by Blake Dawson in this matter.

(d) Preclusion of other employment

Blake Dawson's representation of the Debtors in this matter took time and effort that was not therefore available to provide comparable services to other current or potential clients.

(e) Customary fee paid for such legal services

Blake Dawson submits that the fee it seeks is not unusual given the size and complexity of the Debtors' business, the benefits conferred on the Debtors' estates, the time expended and is commensurate with what other attorneys of comparable experience and expertise charge on a regular basis. The hourly rates charged by Blake Dawson for the services performed are the hourly rates regularly charged by Blake Dawson in other similar matters and Blake Dawson submits that they are comparable to the customary charges of other professionals and paraprofessionals with similar degrees of skill and expertise operating in a similar market.

(f) Experience, reputation and ability

Blake Dawson believes that its professionals who performed services for the Debtors have an excellent reputation for their skill, quality, integrity and ability. Blake Dawson's professionals have significant experience in matters of this nature and regularly represent companies similar to the Debtors on similar transactions.

DETERMINATION OF BLAKE DAWSON'S FEES AND EXPENSES

33) Blake Dawson has used its existing hourly rate structure and has calculated its request for compensation by multiplying the number of hours of time spent on services rendered on behalf of the Debtors by the hourly rate assigned to each attorney or paraprofessional rendering such services. Blake Dawson submits that the fees sought herein are customary and based on its normal criteria in matters of this type.

34) Blake Dawson believes that the fair and reasonable value of its professional services rendered during the Period is A\$269,933.45 (US\$265,455.79). Based upon the total time expended and Blake Dawson's standard hourly rates, Blake Dawson believes the compensation requested herein to be reasonable and appropriate.

35) Blake Dawson also seeks reimbursement of its actual, reasonable and necessary out-of-pocket expenses in the aggregate amount of A\$4,445.22 (US\$4,371.48). These expenses were incurred during the course of rendering professional services on behalf of the Debtors during the Period.

CONCLUSION

36) Blake Dawson respectfully requests that this Court enter an order substantially in the form attached as Annexure "D" approving A\$274,378.67 (US\$269,827.27) plus A\$5,940 (US\$5,841.47) (the cost of preparing this application) as the fair and reasonable value of its actual and necessary professional services rendered by Blake Dawson to the Debtors during the Period. The total amount claimed is A\$280,318.67 (US\$275,668.74).

COMPENSATION AND REIMBURSEMENT OF EXPENSES OF PROFESSIONALS**

Upon the proposed amended order filed June 13, 2009 (the "Third Amended Order"), of Lehman Brothers Holdings Inc. and its affiliated debtors in the above-referenced chapter 11 cases, as debtors and debtors-in-possession (collectively, the "Debtors" and, together with their non-debtor affiliates, "Lehman"), pursuant to sections 105(a) and 331 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 2016(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to establish procedures for interim monthly compensation and reimbursement of expenses of professionals (the "Professionals"), all as more fully described in the Debtors' Motion Pursuant to Sections 105(a) and 331 of the Bankruptcy Code and Bankruptcy Rule 2016(a) for Authorization to Establish Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals, dated October 11, 2008 (the "Motion") [Docket No. 833] and the notice of presentment of the proposed Third Amended Order; and the Court having jurisdiction to consider the proposed Third Amended Order and the relief requested therein in accordance with 28 U.S.C. §§ 157 and 1334 and the Standing Order M-61 Referring to Bankruptcy Judges for the Southern District of New York Any and All Proceedings Under Title 11, dated July 10, 1984 (Ward, Acting C.J.); and

consideration of the Motion and the proposed Third Amended Order and the relief requested therein being a core proceeding pursuant to 28 U.S.C. § 157(b); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the proposed Third Amended Order having been provided in accordance with the procedures set forth in the amended order entered February 13, 2009 governing case management and administrative procedures [Docket No. 2837] to (i) the United States Trustee for the Southern District of New York; (ii) the attorneys for the Official Committee of Unsecured Creditors; (iii) the Securities and Exchange Commission; (iv) the Internal Revenue Service; (v) the United States Attorney for the Southern District of New York; and (vi) all parties who have requested notice in these chapter 11 cases, and it appearing that no other or further notice need be provided; and the Court having entered an amended order, dated March 13, 2009 (the "Second Amended Order") [Docket No. 3102], governing the procedures for interim monthly compensation and reimbursement of expenses of professionals; and the Court concluded that there is cause to make certain amendments to the Second Amended Order; and the Court having found and determined that the relief sought in the proposed Third Amended Order is in the best interests of the Debtors, their estates and creditors, and all parties in interest and that the legal and factual bases set forth in the Motion and the proposed Third Amended Order establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, it is

ORDERED that the Second Amended Order is superseded in its entirety by this Third Amended Order; and it is further

ORDERED that except as may otherwise be provided in orders of the Court authorizing the retention of specific Professionals, all Professionals in these cases may seek

monthly compensation in accordance with the following procedures (the "Interim Compensation Procedures");

- (a) On or before the **thirtieth (30th)** day of each month following the month for which compensation is sought, each professional seeking compensation, other than a professional retained as an ordinary course professional, will serve a monthly statement (the "Monthly Statement"), by hand or overnight delivery on (i) Lehman Brothers Holdings Inc., 1271 Avenue of the Americas, 45th Floor, New York, New York, 10020 (Attn: John Suckow and David Coles); (ii) Weil, Gotshal & Manges, LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Shai Y. Waisman, Esq.); (iii) Milbank, Tweed, Hadley & McCloy LLP, 1 Chase Manhattan Plaza, New York, New York 10005 (Attn: Dennis F. Dunne, Esq., Dennis O'Donnell, Esq., and Evan Fleck, Esq.), attorneys for the Creditors' Committee; (iv) the Office of the United States Trustee for the Southern District of New York, 33 Whitehall Street, 22nd Floor, New York, New York 10004 (Attn: Andy Velez-Rivera, Esq. and Tracy Hope Davis, Esq.); and (v) Feinberg Rozen, LLP, The Willard Office Building, 1455 Pennsylvania Avenue, NW, Suite 390, Washington, DC 20004-1008 (Attn: Kenneth R. Feinberg, Esq.), Chairperson of the Fee Committee (as defined in the Order Appointing a Fee Committee and Approving a Fee Application Protocol, dated May 26, 2009 [Docket No. 3651]) (the "Notice Parties").
- (b) The Monthly Statement need not be filed with the Court and a courtesy copy need not be delivered to chambers since this Motion is not intended to alter the fee application requirements outlined in sections 330 and 331 of the Bankruptcy Code and since professionals are still required to serve and file interim and final applications for approval of fees and expenses in accordance with the relevant provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the "Local Rules").
- (c) Each Monthly Statement must contain a list of the individuals and their respective titles (e.g., attorney, paralegal, etc.) who provided services during the statement period, their respective billing rates, the aggregate hours spent by each individual, a reasonably detailed breakdown of the fees and expenses incurred (no professional should seek reimbursement of an expense that would otherwise not be allowed pursuant to the Court's Administrative Orders dated June 24, 1991 and April 21, 1995 or the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 dated January 30, 1996), and contemporaneously maintained time entries for each individual in increments of tenths (1/10) of an hour or as close thereto as practicable.
- (d) Each Notice Party shall have at least **fifteen (15)** days after receiving the Monthly Statement to review the statement and, if the Notice Party objects to the compensation or reimbursement sought in a particular statement, such Notice

Party shall, no later than **the forty-fifth (45th)** day following the month for which compensation is sought, serve upon the professional to whose Monthly Statement the Notice Party objects and the other Notice Parties a written "Notice of Objection to Fee Statement," setting forth the nature of the Notice Party's objection and the amount of fees or expenses at issue.

- (e) At the expiration of the **forty-five (45)** day period, the Debtors shall promptly pay eighty percent (80%) of the fees and one hundred percent (100%) of the expenses identified in each Monthly Statement to which no objection has been served in accordance with paragraph (d) above.
- (f) If the Debtors object or receive an objection to a particular Monthly Statement, the Debtors shall withhold payment of that portion of the Monthly Statement to which the objection is directed and promptly pay the remainder of the fees and disbursements in the percentages set forth in paragraph (e).
- (g) If the parties to an objection resolve their dispute following the service of a Notice of Objection to Fee Statement and if the party whose Monthly Statement was objected to serves on all Notice Parties a statement indicating that the objection is withdrawn and describing the terms of the resolution, then the Debtors shall promptly pay, in accordance with paragraph (e), that portion of the Monthly Statement that is no longer subject to an objection.
- (h) All objections that the parties do not resolve shall be preserved and presented to the Court at the next interim or final fee application hearing to be heard by the Court in accordance with paragraph (j) below.
- (i) The service of an objection in accordance with paragraph (d) above shall not prejudice the objecting party's right to object to any fee application made to the Court in accordance with the Bankruptcy Code on any ground regardless of whether the objecting party raised the ground in the objection or not. Furthermore, the decision by any party not to object to a Monthly Statement shall not waive or prejudice that party's right to object to any fee application subsequently made to the Court in accordance with the Bankruptcy Code.
- (j) Commencing with the period ending January 31, 2009, and at four-month intervals thereafter, each of the professionals shall file with the Court, in accordance with General Order M-242 (which can be found at www.nysb.uscourts.gov), an application (an "Interim Fee Application") for interim Court approval and allowance pursuant to sections 330 and 331 of the Bankruptcy Code (as the case may be) of the compensation and reimbursement of expenses requested in the fee statements served during such period (the "Interim Fee Period"). Each professional shall file its Interim Fee Application within 75 days after the end of the Interim Fee Period for which the request seeks allowance of fees and reimbursement of expenses. Each professional shall file its first Interim Fee Application on or before April 10, 2009 and the first Interim Fee Application shall cover the Interim Fee Period from the Commencement Date

through and including January 31, 2009. All professionals not retained as of the Commencement Date shall file their first Monthly Statement for the period from the effective date of their retention through the end of the first full month following the effective date of their retention, and otherwise in accordance with the procedures set forth in this Motion.

- (k) The Debtors' attorneys shall obtain a date from the Court for the hearing of fee applications for all retained professionals. At least 30 days prior to such hearing, the Debtors' attorneys shall file a notice with the Court, with service upon the U.S. Trustee and all retained professionals, setting forth the time, date and location of the fee hearing, the Interim Fee Period applications cover and the objection deadline. Any retained professional unable to file its own fee application with the Court shall deliver to the Debtors' attorneys a fully executed copy with original signatures, along with service copies, three business days before the filing deadline. The Debtors' attorneys shall file and serve such application.
- (l) The pendency of an application or a Court order that payment of compensation or reimbursement of expenses was improper as to a particular Monthly Statement shall not disqualify a professional from the future payment of compensation or reimbursement of expenses as set forth above, unless otherwise ordered by the Court.
- (m) Neither the payment of, nor the failure to pay, in whole or in part, monthly compensation and reimbursement as provided herein shall have any effect on this Court's interim or final allowance of compensation and reimbursement of expenses of any professionals.
- (n) Counsel for the Creditors' Committee may, in accordance with the Interim Compensation Procedures collect and submit statements of expenses (excluding third-party counsel expenses of individual committee members), with supporting vouchers, from members of the Creditors' Committee; *provided, however*, that these reimbursement requests comply with this Court's Administrative Orders dated June 24, 1991 and April 21, 1995.

; and it is further

ORDERED that the Debtors shall include all payments to Professionals on their monthly operating reports, detailed by line item so as to state the amount paid to each of the Professionals, and detailed so as to state the amount paid to ordinary course professionals (which may be aggregated into one line item); and it is further

ORDERED that any party may object to requests for payments made pursuant to this Third Amended Order, or move to modify or vacate all or certain provisions of this Third Amended Order, on the grounds that (a) the Debtors have not timely filed monthly operating reports, (b) the Debtors have not remained current with their administrative expenses or fees due under 28 U.S.C. § 1930(a)(6), (c) the Debtors are administratively insolvent or approaching insolvency, and (d) cause otherwise exists; *provided, however*, that the inclusion in this Third Amended Order of the foregoing bases shall not be determinative of the validity of any such bases and all parties' rights are expressly reserved; and it is further

ORDERED that all time periods set forth in this Third Amended Order shall be calculated in accordance with Rule 9006(a) of the Federal Rules of Bankruptcy Procedure; and it is further

ORDERED that sending notice of the hearing to consider Interim Fee Applications to the Standard Parties entitled to notice pursuant to the Court's amended order entered on February 13, 2009 governing case management and administrative procedures for these cases [Docket No. 2837] shall be good and sufficient notice; and it is further

ORDERED that that this Court shall retain jurisdiction to interpret and enforce this Order.
